Small Snowmobile Triggered Slide in Tepee Creek

Tepee Basin Southern Madison 2/9/2023 Code SS-AMu-R1-D1 Latitude 44.90410 Longitude -111.18500 Notes

Number of slides

Advisory Year

22-23

This afternoon my group of 4 was riding up out of Tepee Creek heading towards Cabin Creek and I set off this small <u>slide</u> on a northeast facing slope as I was coming down it. The <u>slide</u> broke about a foot deep on top of the packed layer of snow and was 150-200' wide at the crown. Thankfully it slid slowly, less than 100' and I was able to ride out of it.
